Report:

What is leader?

⇒ The person who leads or commands a group, organisation or country

* leader vs manager.

manager who manages all financial activities

manager tell what to do?

But

leader says how to do it & why to do it.

* Become everyday leader:

1) listening to others

2) Sharing yourself,

3) learn to understand & grow

4) Being humble

leadership styles -

autocratic

charismatic

Transformational

Supportive

Importance of context:

the circumstances that form the setting for an event, statement or idea & in terms of which it can be understood.

- Context is full of meaning of helping and understanding
- Context is a key to team understanding and direction its essential for leaders.
